Directorate General of Civil Aviation

Subject: Issuance of directions to airlines regarding mandatory use of Air Suvidha 2.0 Portal by international arriving passengers-reg.

Sir,

I am directed to inform that the Ministry has launched **Air Suvidha 2.0 Portal**, in coordination with the Directorate General of Health Services, Ministry of Health & Family Welfare for Passenger Health Self-Declaration, developed for strengthening public health surveillance at Points of Entry in India in view of the Ebola/Bundibugyo virus disease outbreak. The portal enables International arriving passengers to submit a mandatory online Health Self-Declaration covering 21 day travel history, exposure history and related symptoms, which enables real-time data sharing with the Airport Health Officer, Bureau of Immigration and other stakeholders.

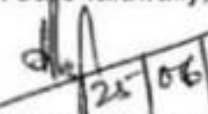

2. In this regard, DGCA is requested to issue necessary directions to all airlines operating international flights to India on priority and to ensure the compliance of the following:

- i. Airlines shall advise all international passengers arriving in India to fill the **Air Suvidha Self Declaration Form** by using Air Suvidha 2.0 portal preferably before boarding the flight.
- ii. The Self Declaration Form can be completed **24 hours in advance before arrival in India** and should be filled accurately for swift clearance on arrival.
- iii. Airlines may issue suitable advisories for wider dissemination including necessary in-flight and pre-boarding announcements, wherever feasible, regarding submission of the Self Declaration Form through portal.
- iv. Airlines shall advise passengers to carry or show the downloaded Self Declaration Form at the International Travel Health Desk or Immigration Counter, as required.
- v. Airlines shall ensure wide dissemination of the portal link:

3. This issues with the approval of the competent authority.
